

Online Enquiry & Information Service for Professionals

Information about the Service

This service enables you to send confidential online queries regarding complementary therapies in pregnancy and childbirth, either general questions about safety, or specific issues related to an individual mother. All information given is evidence-based, where possible, and is intended as a guide only. The service is open to midwives, therapists, doctors, doulas, health visitors and other healthcare professionals involved in the care of pregnant, labouring or newly delivered mothers. You will normally receive a response within 48 hours.

Please complete the form below for each enquiry or request for information.

Payment

Single patient enquiry £10 - invoice will be emailed with the response to your questions

Annual subscription £45 (up to ten enquiries for individuals) – invoice will be emailed with the response to your first enquiry

Annual subscription £365 (unlimited enquiries for trusts / institutions) – payment must be made before responses to any queries can be returned

Information / literature search (abstracts only) £10 - invoice will be emailed with the literature search abstracts

Payment must be made within 7 days either by cheque payable to Expectancy Ltd and sent to Expectancy Ltd 2 Marigold Way, Shirley Oaks, Croydon CR0 8YD

or by direct bank transfer – please request relevant details (*NHS Trusts only*)
